Launch Active Discovery

Enable Active Discovery on the profiles created. You can run it once or launch the scheduling if it's paused.

Procedure

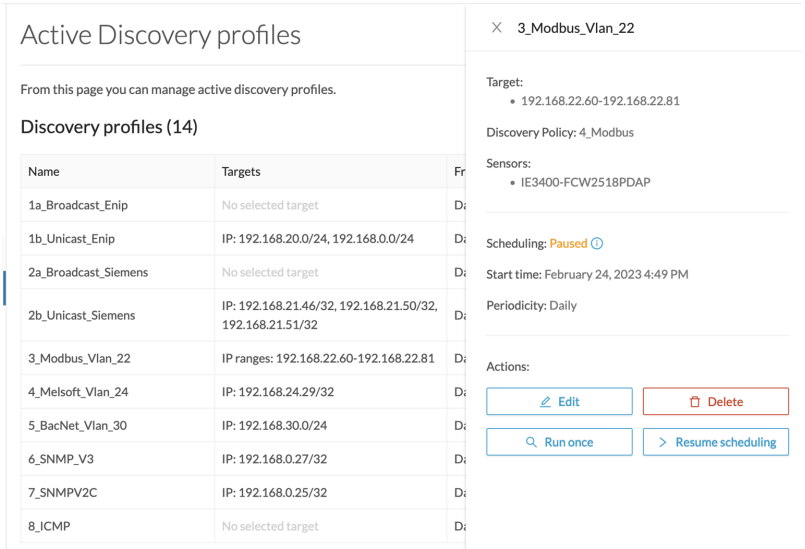

Step 1 On , navigate to Admin > Active Discovery > Profiles.

Step 2 Click a profile in the list.

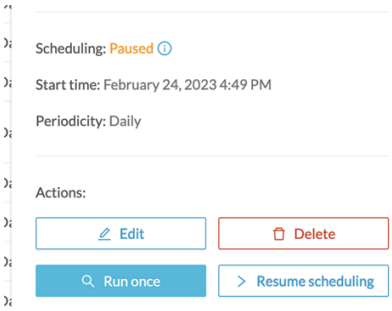

Its right side panel opens.

Launch Active Discovery

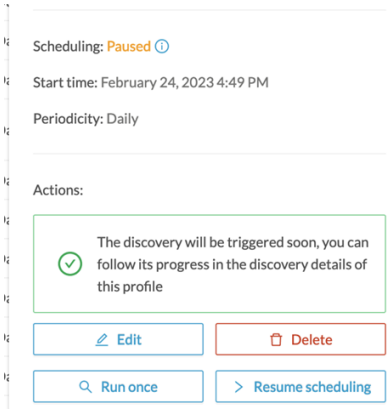

Step 3 You can run the discovery once or resume scheduling.

- Click **Run once**.

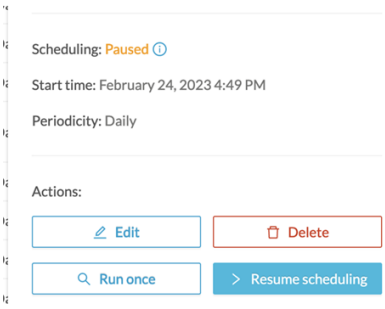

A message indicating that Active Discovery will be launched soon appears.

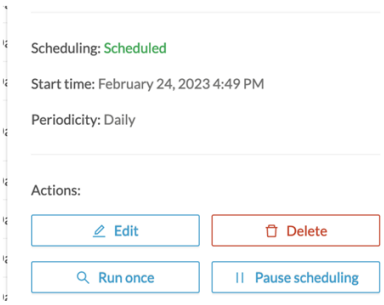

- Click **Resume scheduling**.

Launch Active Discovery

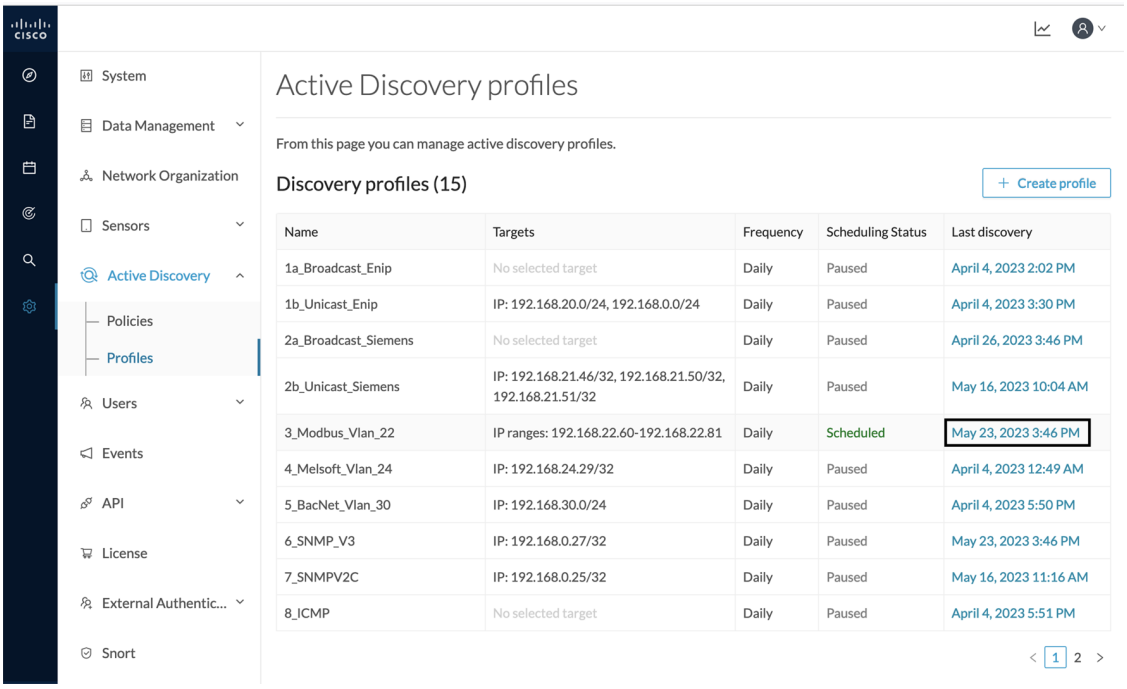

The scheduling status switches from paused to scheduled.

The discovery will be launched as configured.

You can change these configurations clicking **Edit**.

Step 4 You can click the link in the last discovery column to see a profile's Active Discovery results.

A window opens with the result details.
